

RAFFLE TICKETS
TRAILBLAZER AWARD

CONGRATULATIONS ON BECOMING AN OLDHAM COUNTY FAIR PAGEANT CONTESTANT!!!

The reason for the raffle and other fund raisers is to help fund the expenses of the pageants. FYI, just so everyone knows, the Glitz Gala (our special needs) pageant is totally put on at the expense of the pageants. These contestants do not pay an entry fee or any amount to participate. The funds we raise from the raffle help pay for the expenses of their pageant, and the other pageants as well. For these reasons, we ask that each contestant try to sell at least (5) raffle tickets. They are \$5 per ticket and the prizes given total 20 or more. We receive donations for the prizes, and can be gift cards to restaurants, food coupons, free trips to area events, goods from different businesses, gift baskets, and more; really nice gifts that any one of us would like to receive. You do not have to be present to win. Just make sure a phone number is on the ticket when you turn it in so that we can contact the winners.

The one contestant in each particular pageant that sells the most raffle tickets will be named the winner of the Trailblazer Award, which is presented on stage at the pageant, with the other awards. The prize consists of a "cash prize", and other surprises.

The selling of the raffle tickets is Not mandatory, and will not reflect on any contestant that can't sell their assigned (5) tickets.

So, in short \$5 gets the raffle ticket owner a chance to win one of twenty odd gifts. That's a pretty good chance you could win.

We have been doing this for several years now, and has proven to be successful, and the contestants love being able to win a prize for helping others. AND the winners have really loved the prizes they win.

So be sure to support your favorite contestant in selling our raffle tickets. When they win, you'll be so proud.

Thank you,

Pageant Committee
