

ACHIEVER AWARD

The Achiever Award is based upon Sponsorships the Contestants acquire for the Pageants' Committee to utilize towards scholarships, expenses, and all other costs of putting on the Pageants.

For example: if a contestant's grandfather wants to donate funds to the Pageants to help, that contestant will get credit towards the Achiever Award. The contestant in her/his particular pageant that receives the most sponsorships for the pageant committee, will be named the winner of the "ACHIEVER AWARD". The prize consists of a cash prize and other surprises, and will be presented on stage when the other awards are announced.

The sponsorships that a contestant receives toward her attire, fee, or any other personal items, is not the same and will not apply toward the Achiever Award. This is not a mandatory event.

Please support your favorite contestant in acquiring funds for the Achiever Awards.

PEOPLE'S CHOICE AWARD

The People's Choice Award is the award presented to one person per pageant. The contestants construct a people's choice box (out of a kleenex box, gift box, etc.) by decorating it and then placing her/his name, number and picture on the box. The contestant's family, friends, the audience, and anyone else wishing to vote for each contestant, will place dollar bills inside his/her favorite's box during the pageant. The one contestant in each pageant that has the most dollar bills inside their box will win the "PEOPLE'S CHOICE" AWARD, which is presented on stage when the other awards are announced. So that it is fair for all, we suggest that each contestant participate in this fun event.
